Welcome to East Hamersley Kindergarten

I wish to extend a warm welcome to you and your child from the East Hamersley Primary School community. Kindergarten is a wonderful time in the lives of children and their parents as you enrol into your first experience of 'school education'. During their time at Kindergarten, children will explore learning, with the education program focussing on social, emotional, pre literacy, pre numeracy and physical development.

East Hamersley Primary is a family orientated school with a highly active parent body, creating a vibrant school community.

The staff and administration at East Hamersley Primary are looking forward to help shape your children into the people who they will become.

Kind regards,

Lyn Dawson

Principal

Our Kindergarten Program

It is our intention that the best possible opportunities are offered to your child to challenge and extend their learning, allowing your child to reach their full potential. Our goal, at all stages, is to provide the necessary ingredients for success and the laying of foundations for successful practices and knowledge for the future. These goals include the following:

- ♦ Development of a positive self esteem and an understanding of themselves.
- ♦ Encouragement to participate as members of a group, learning to share and taking turns.
- ♦ Development of the ability to work independently.
- ♦ Providing opportunities to initiate and interact positively with peers and adults.
- ♦ Every effort will be made to ensure that our program is progressive and that we are in line with current best practice and thinking.
- ♦ The content of the program will be developed from the children's own needs and interests as well as aligned to both the Department of Education's Early Childhood Syllabus and the Early Years Learning Framework for Australia (EYLF). Reports will be sent home twice during the school year.

We strongly believe that children need to be given the opportunity to see what they are capable of learning. Just watch them learn!

Please ensure that if you decide to teach your child how to write their name that you model the correct practice where the first letter is upper case and the remainder is lower case (some Kindergarten children will use all capitals). Also take note of starting points when forming letters.

The Kindergarten Day

Kindergarten is a wonderland of painting and story time; of talking and listening; of exploring the world; and of making new friends.

Your child begins to build on what they have learned at home. This includes their understanding of language – that language is made up of words, that written words are made up of letters in the alphabet and that spoken sounds can be written down. They also learn about numbers and shapes and the many different ways we use maths in our lives every day.

These early lessons are precursors to helping your child later with reading, spelling, language and mathematics skills. Your child's teacher takes into account the many different experiences and backgrounds of the children in the classroom to make sure the learning program helps each child.

Children learn social skills by playing with other children and sharing equipment. Play allows your child to share and take turns while developing confidence in social settings. Not all children have this ability naturally so it is here at Kindy where we give the children opportunities and the structure for success.

All of the above is vital to their future formal learning. While Kindergarten is pre-compulsory education, parents are encouraged to send their children to give them the opportunity of actively engaging in both the curriculum and becoming an important part of the school community. The skills they learn give them the start they need to embark on their educational journey.

Getting ready for Kindergarten

Here are some simple things you can do to help your child (and the rest of the family!) get ready to start Kindergarten:

- ♦ Read stories with your child about starting school.
- ♦ Go past the school and talk to your child about how they will soon be going there, the exciting things they will do and the friends they will make.
- ♦ Go shopping together to buy a special lunch box and drink bottle, and things they will need such as a school bag and uniform items.
- ♦ Label all your child's belongings with their name.
- ♦ Introduce yourself to other parents and become part of the school community.
- ♦ Organise play dates to help your child socialise with the other children in their class.
- ♦ Have a routine each morning as you and your child get ready to go to school.
- ♦ Make life easier for you and your child by buying clothing with large buttons or Velcro that will allow them to dress themselves. Being able to get themselves ready will also be a confidence boost for your child.
- ♦ Once school starts, ensure your child gets enough rest. You will probably find that your child is tired. This is normal as they adjust to their busy days at Kindergarten, learning and playing.
- ♦ Provide your child nutritious meals and snacks to keep them energised through the day.
- ♦ Talk with your child about their day when they get home. Your enthusiasm is important for them to see and feel, and will show them that school is important.
- ♦ Get to know your child's teacher and don't hesitate to talk to them about any issues you may have experienced, and give them feedback – both positive and negative.

Helping your child have a positive first experience of school is important because it can help shape the way they think about school in the future. Once school starts, please feel welcome to be actively involved yourself. Children love it when their Mum or Dad comes along to help on the Kindy Parent Roster.

What to send

- ◆ Booklist requirements are to be sent in on your child's first day at Kindergarten. Label the bag that contains all the booklist requirements.
- ◆ Recess food (to be shared). For example, sultanas, a piece of fruit, cheese, capsicum, tomatoes, cucumber and apricots, rice crackers.
- ◆ A healthy lunch for them packed in a lunch box.
- ◆ Water in a drink bottle, preferably with a push down spout.
- ◆ A broad brimmed hat is required from Week 1.
- ◆ A change of clothes should be kept in your child's bag, in case of accidents.
- ◆ Consumable items such as pencils, only need to be labelled on the box as these will be shared.
- ◆ A large bag suitable for carrying their work, lunch box etc.

Arrival and departure of children

The doors will open at 8.45am for a start time of 9.00am. Please bring your child to the front door in the mornings. It is best that you arrive as close as possible to 8.45am.

If you wish your child to be collected by someone other than yourself, please add their details to the Pick-Up Permission form. We will not release any child to another adult without a written request. If you wish your child to be picked up by a brother or sister attending this school please discuss this arrangement with the Principal.

So as to avoid your child becoming distressed, please ensure punctual pick up times. You are requested to remain outside of the room when collecting your child. This will assist the teacher when dismissing the children.

If you are going to be late please contact the Administration Office on 9342 2002.
