

Required Student Book – Years 3-6

We are implementing a research proven program in 2021 that uses the evidenced based Direct Instruction method to deliver highly effective lessons that help our students learn independent spelling skills.

Spelling Mastery approaches spelling through strategies, patterns and rules making spelling easier to learn and writing more effective.

Students will be provided a compulsory work book at the start of the year by their teacher to engage in these lessons.

Parents and carers are required to pay for this required workbook as soon as possible in the new year.

Years 3-6 - Spelling Mastery Book \$27.00

*** Payment for this book can be made directly to EHPS:
